Deanne
We are old
Road Mann buddies,
boy do I remember,
some good times, but then
I remember some bad times
so, but we haven't really been
real close friends but I still like
it & I need to talk to some one you will
be there. Sis '78'
Love, Terri Opel
H.M. 'lives forever

Deanne,
You are a very
sweet girl and I
know you'll always
be happy! Good luck
in high school and
in life! Sis. '78.'
Love,
Sheri
Pool

Deanne,
I'm a good friend that
I hope to have
for the remainder
of my high school days
Love always
Julie

Deanne,
You're really
a neat person
& I've enjoyed
getting to
know you
this year.
Have a fun
summer &
I hope we
can be
friends
next year
Love,
Sylvia

Deanne,
You are one of the
sweetest, prettiest girls
I know. I hope we can
become better friends the
rest of this year. Have the best
of luck in everything you do because
you deserve it. Stay sweet always
Love

In this special bicentennial year
We, the Annual Staff,
Dedicate this ***Lee Traveler***
with much pride and pleasure
to

MR. JOHN QUINCY ADAMS

for his great support, hard work and kindness to us during the past year. We thank you!

Mr. John Adams serves as Vice Principal of the Sophomore Class and Interclub Council Sponsor. Besides keeping himself very busy with these jobs he works the concession stand at the Sports Complex. Mr. Adams dedicated much of his time to take pictures for the annual. If it had not been for him this annual would not have been published.

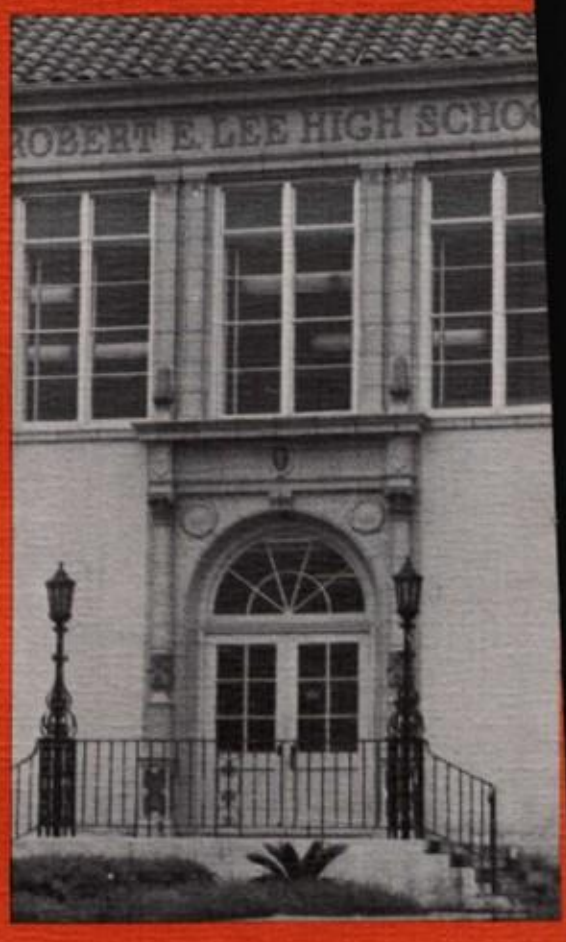
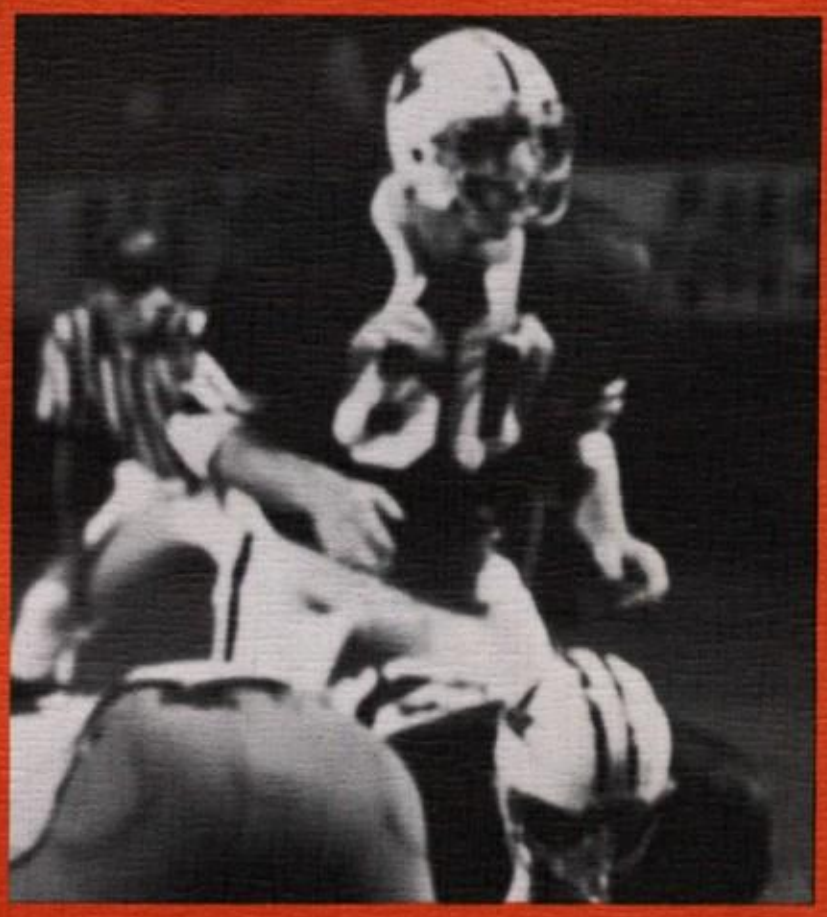
Life, so they say,

is but a game



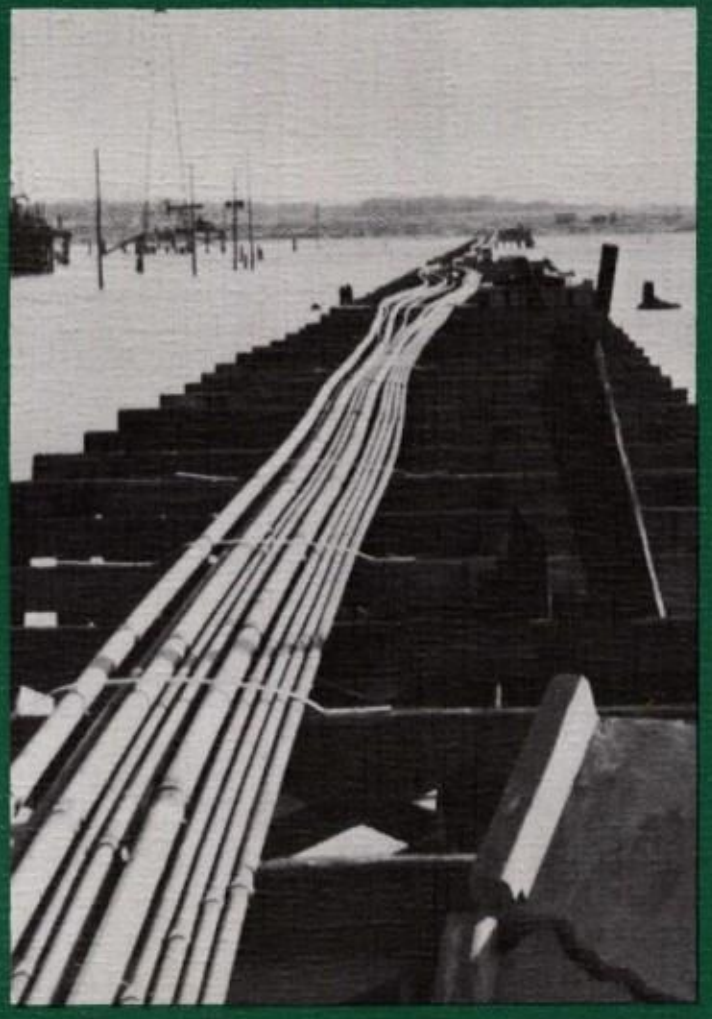


and they let it

slip away . . .

Like the twilight . . .

in the road up ahead . . .



They don't see just where we're goin' . . .

We must gather all our courage,

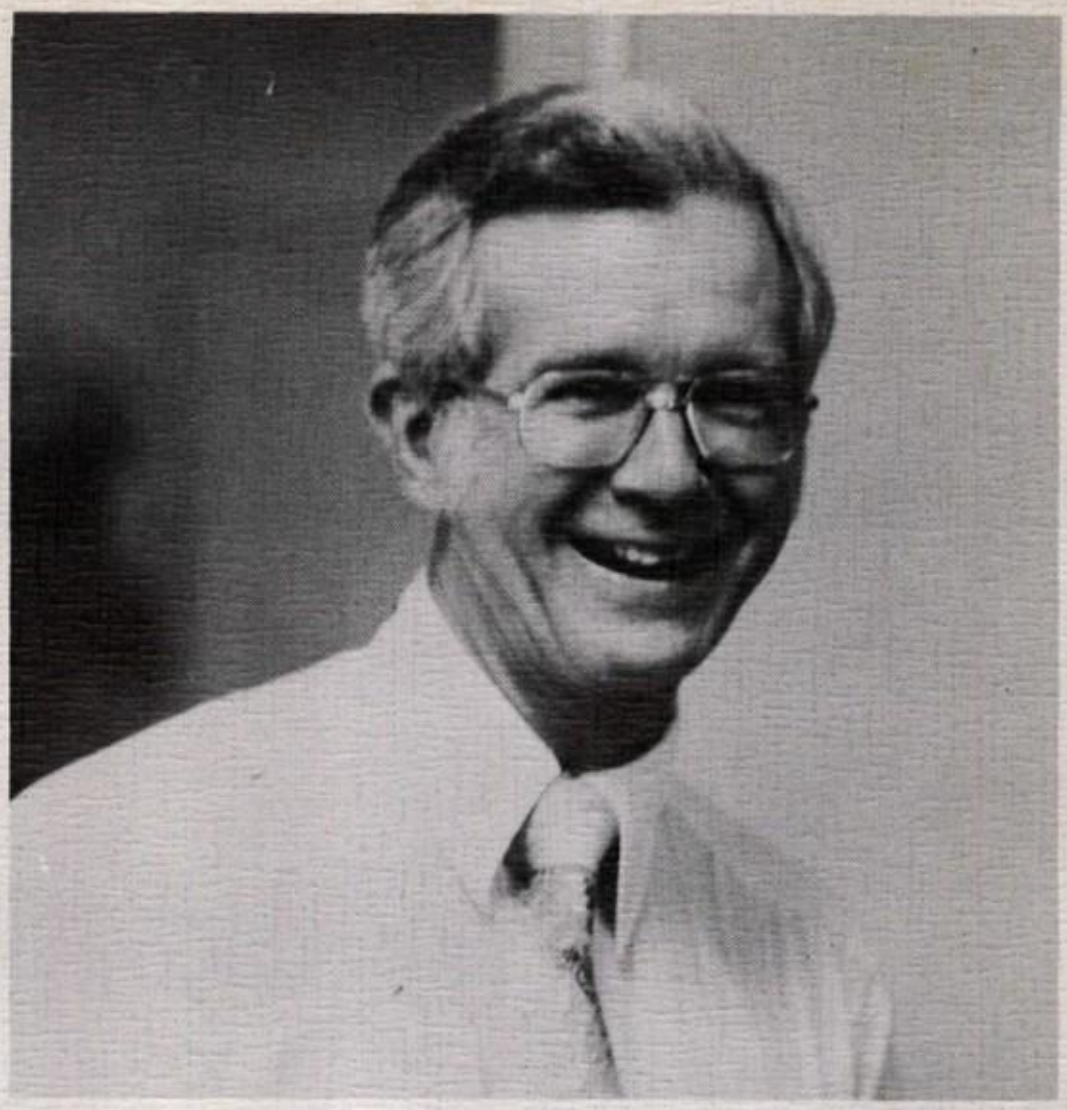
Johnny Clark — Superintendent and School Board

Johnny Clark is Superintendent of the Goose Creek Independent School District. He works extremely hard at organizing all the schools.

SCHOOL BOARD MEMBERS — *Back Row, L to R:* Oswall Harmon, W. D. "Bill" Going, and H. A. "Al" Bordelon. *Front Row:* Ray Swofford — Vice President, Willie Moreno — President, John Balentine — Secretary, and Wayne Hanson — Assistant Secretary.

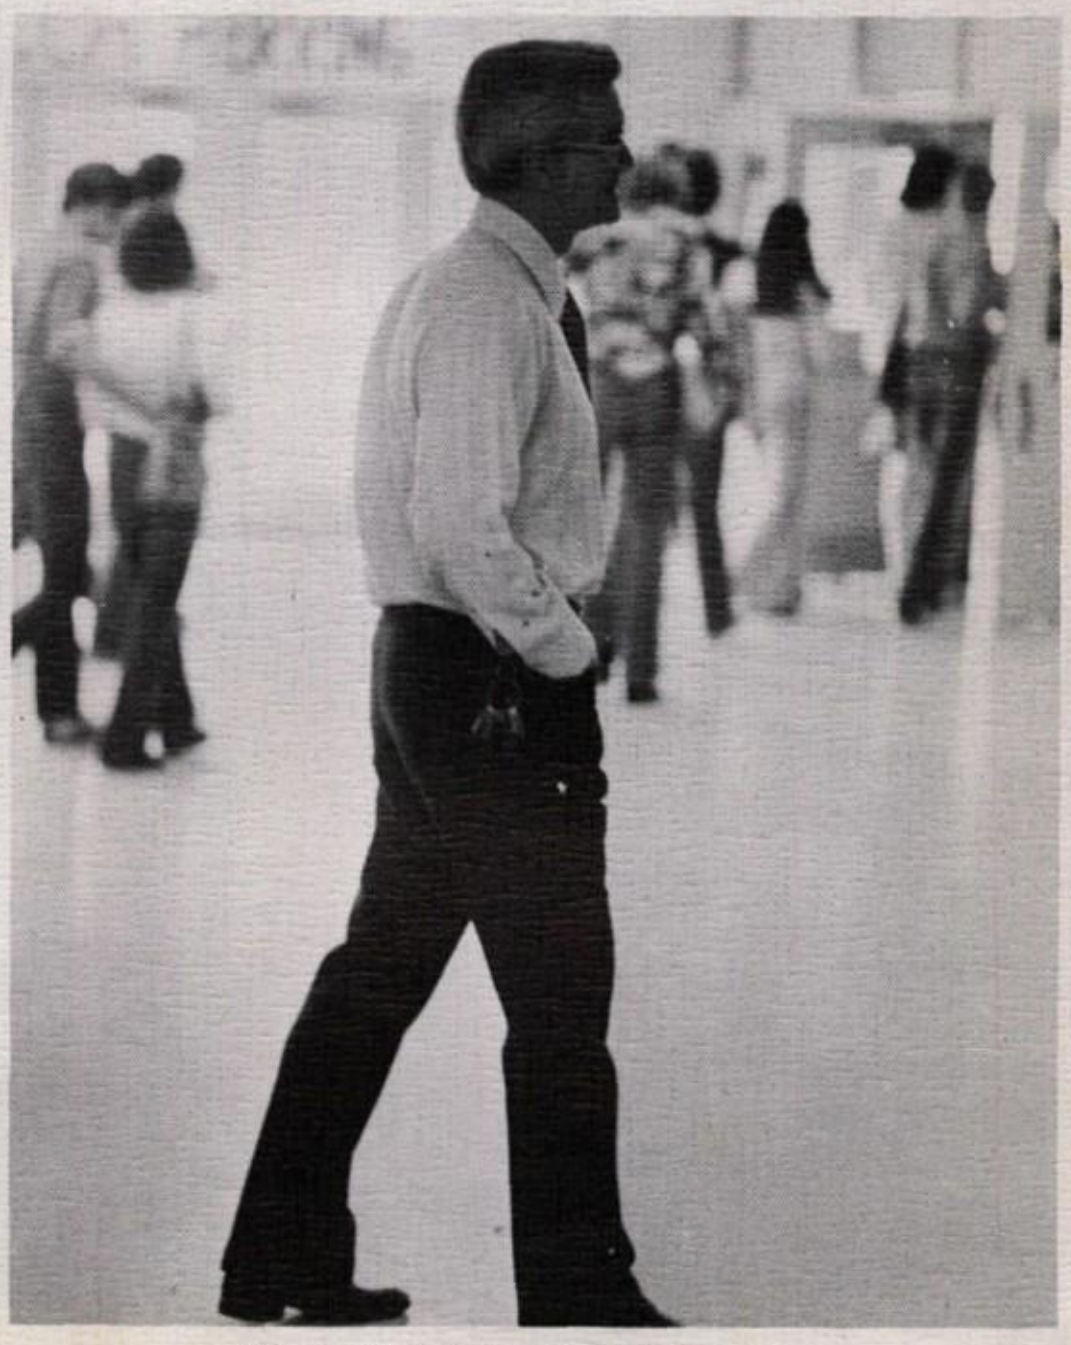
Our Illustrious Leader . . . Mr. Armstrong



Isn't that smile deceiving!

Timing at the District Track Meet.

Umm, maybe, and that's final.



Mr. Armstrong checking out the commons.

Assistant Principals

To many students, the word "principal" could only mean detention and suspension. But the principal's duties extend far beyond the behavioral problems of the students. This year, R.E.L.'s four assistant principals showed an increasing concern for the student and his desire to be more involved in the school community.

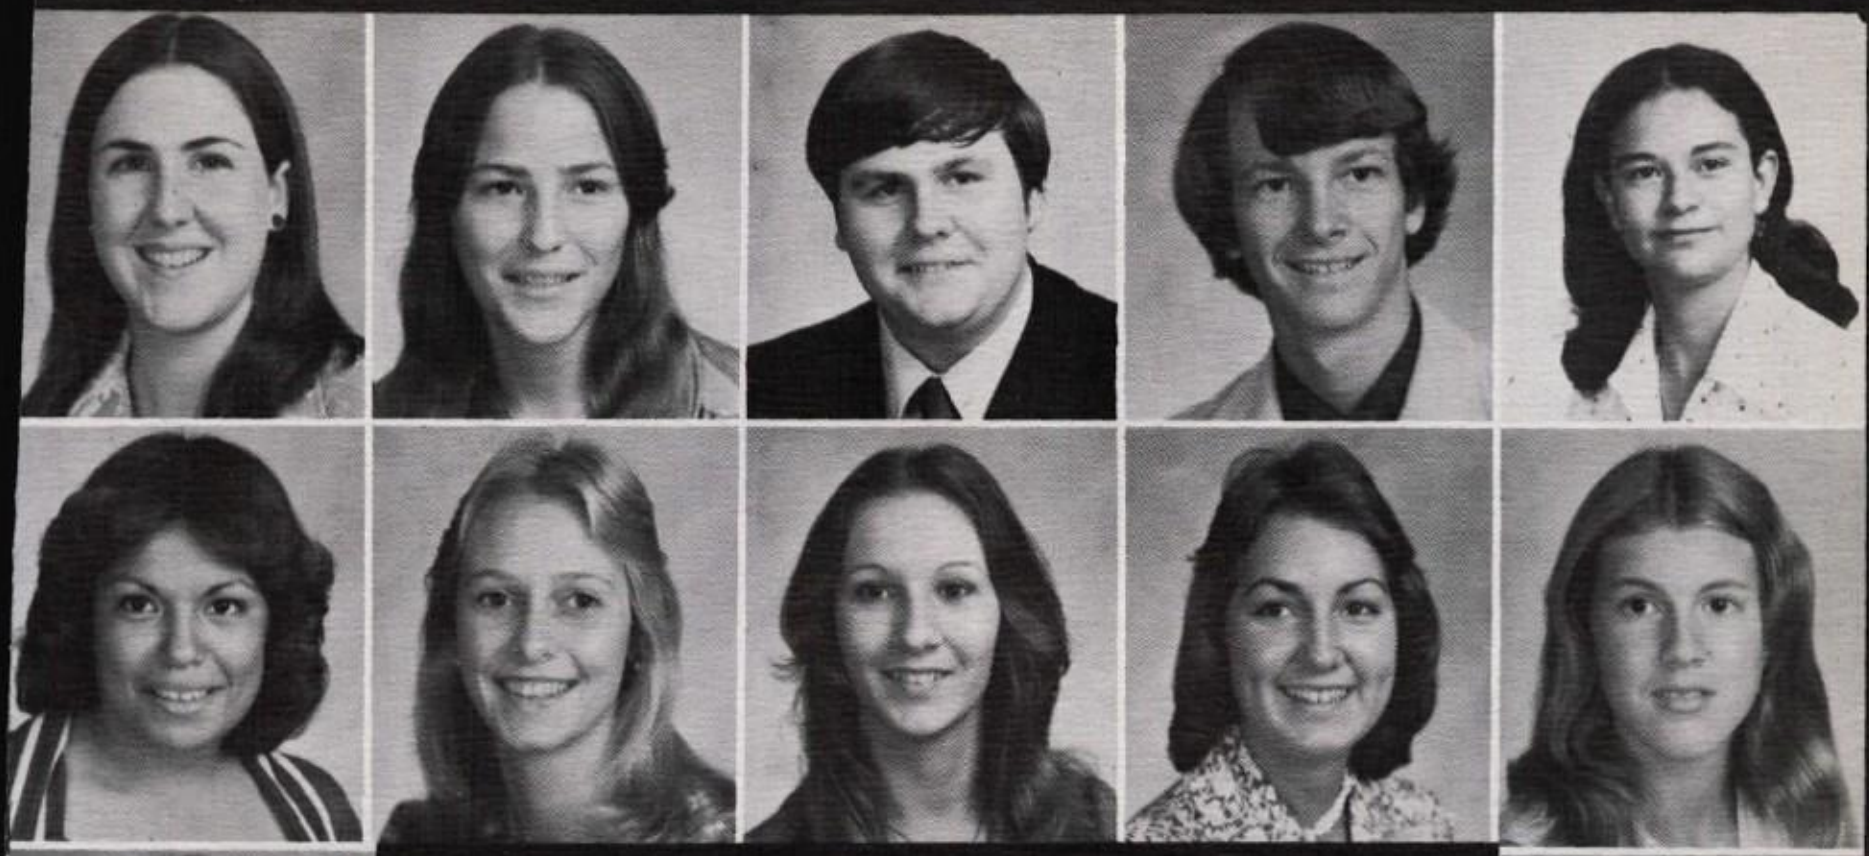
Soon with no holidays to look forward to, college tests, preparing for college and loads of homework we all began to fall into the senior slump — wondering why we were even here.



Enthusiastic senior cheerleaders

But, we had to stick together — and we did. It was time to begin plans for banquets, Prom and Graduation. Our fish fry was a great success; so we began plans for the best Prom ever . . .

Anticipation rose as we ordered caps and gowns and received senior invitations . . .

But as spring approached there were many ups and downs . . .
getting a date with someone new, getting stuck in a lousy class, going to Garner for Easter, getting a new friend, losing an old friend, passing a test you thought you'd failed, and just taking it day by day . . .

As the last weeks grew nearer "Senioritis" began to spread. Everyone looked forward to "Senior skip day" and what to do after the Prom. Although we all looked forward to that "last day," there was a bit of sadness and togetherness hanging in the air.

GIRLS' STATE DELEGATES

Amy Christensen, Alternate Paula Herring

Amy and Paula were selected to attend Girls' State in Sealy, Texas, this summer to broaden their ability and ideas of Government. They were chosen on the basis of their attitudes, leadership, congeniality, and citizenship in their school and community.

BOYS' STATE DELEGATES

Aristides Trifilio Matt Maloy

These boys were chosen to represent Robert E. Lee High in Austin at the Boys' State Convention because of their leadership ability, citizenship, and service to their school and community. Going to the convention will help them even more in the last year at Robert E. Lee High.

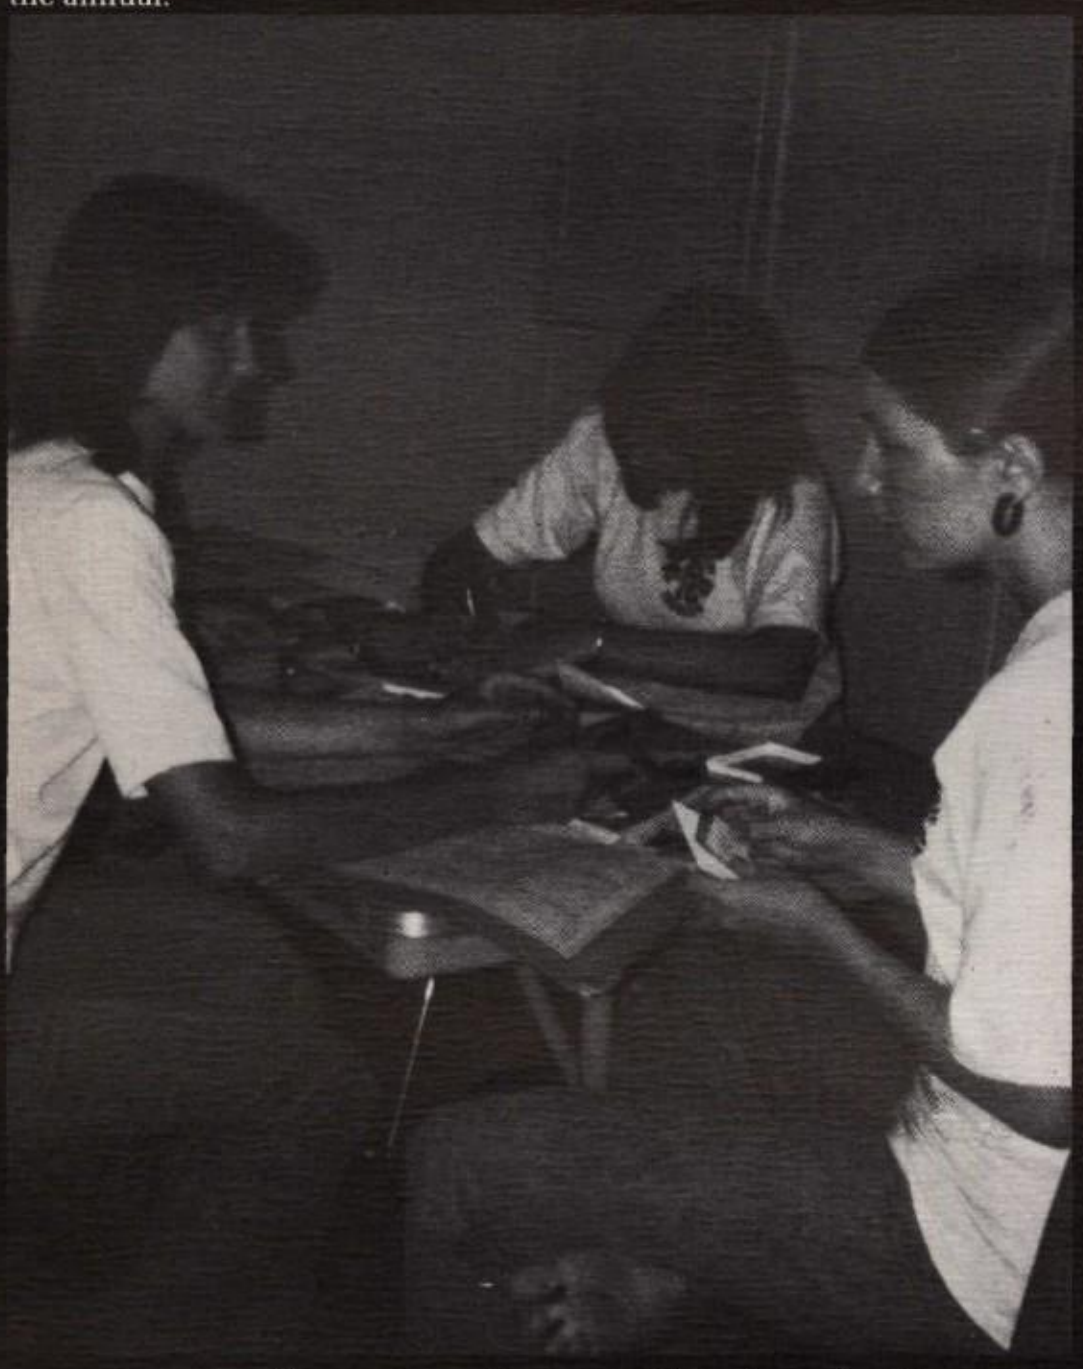
I've told you once and I've told you again I ain't doin' no wor

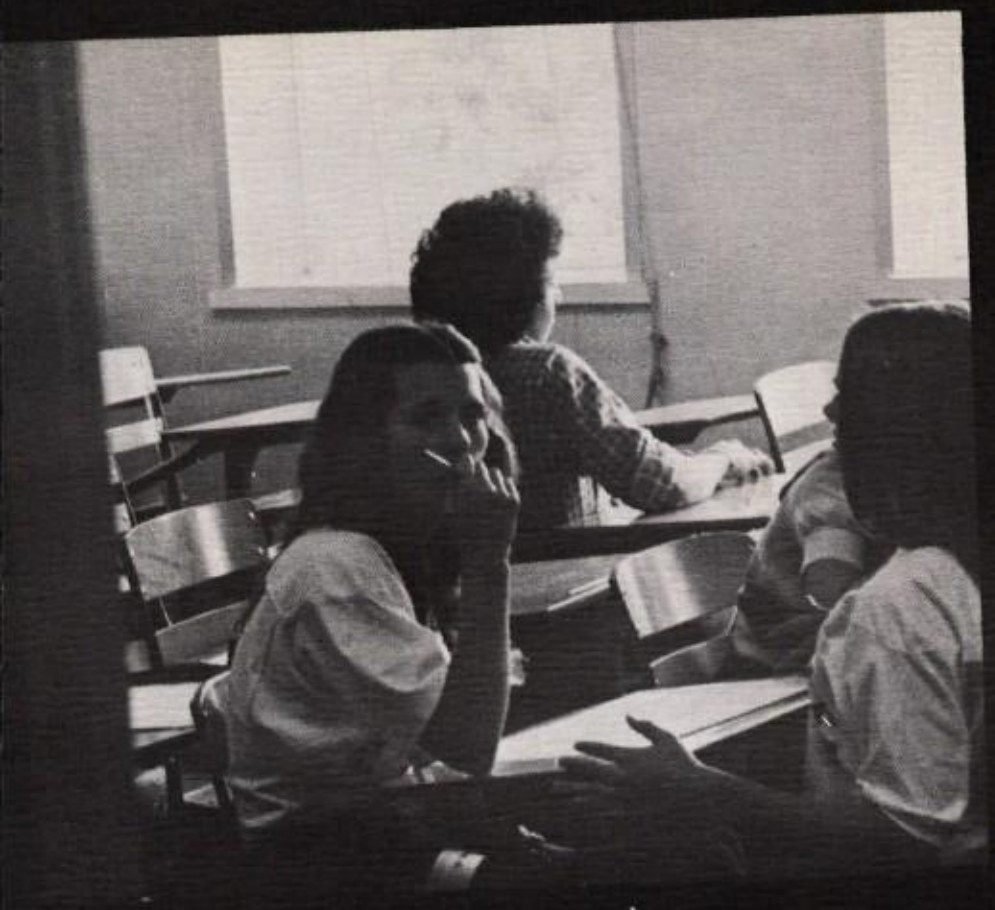


Annual staffers work together to meet last minute deadline.

Annual nuts cuddling on a cold day.

Sections

The annual staff works very hard all year around. The beginning of the year is spent taking I.D.'s and getting football pictures (which was very difficult this year since we did not have our own photographer). The remainder of the year is spent trying to get club pictures and school activities. Now that school is finally out just a few staff members remain to put the finishing touches on hopefully the best annual ever published.



Oh, I better get to work.

"Ding-Dong," "Jeff," and "Eddie" doing what they do best — not working!

Connie Portis Ads Manager

Melanie and Joy Kay stayed busy with the honors and personality sections.

Dwayne, Jeanine, KayK., Joy, and Faye worked hard on the club section.

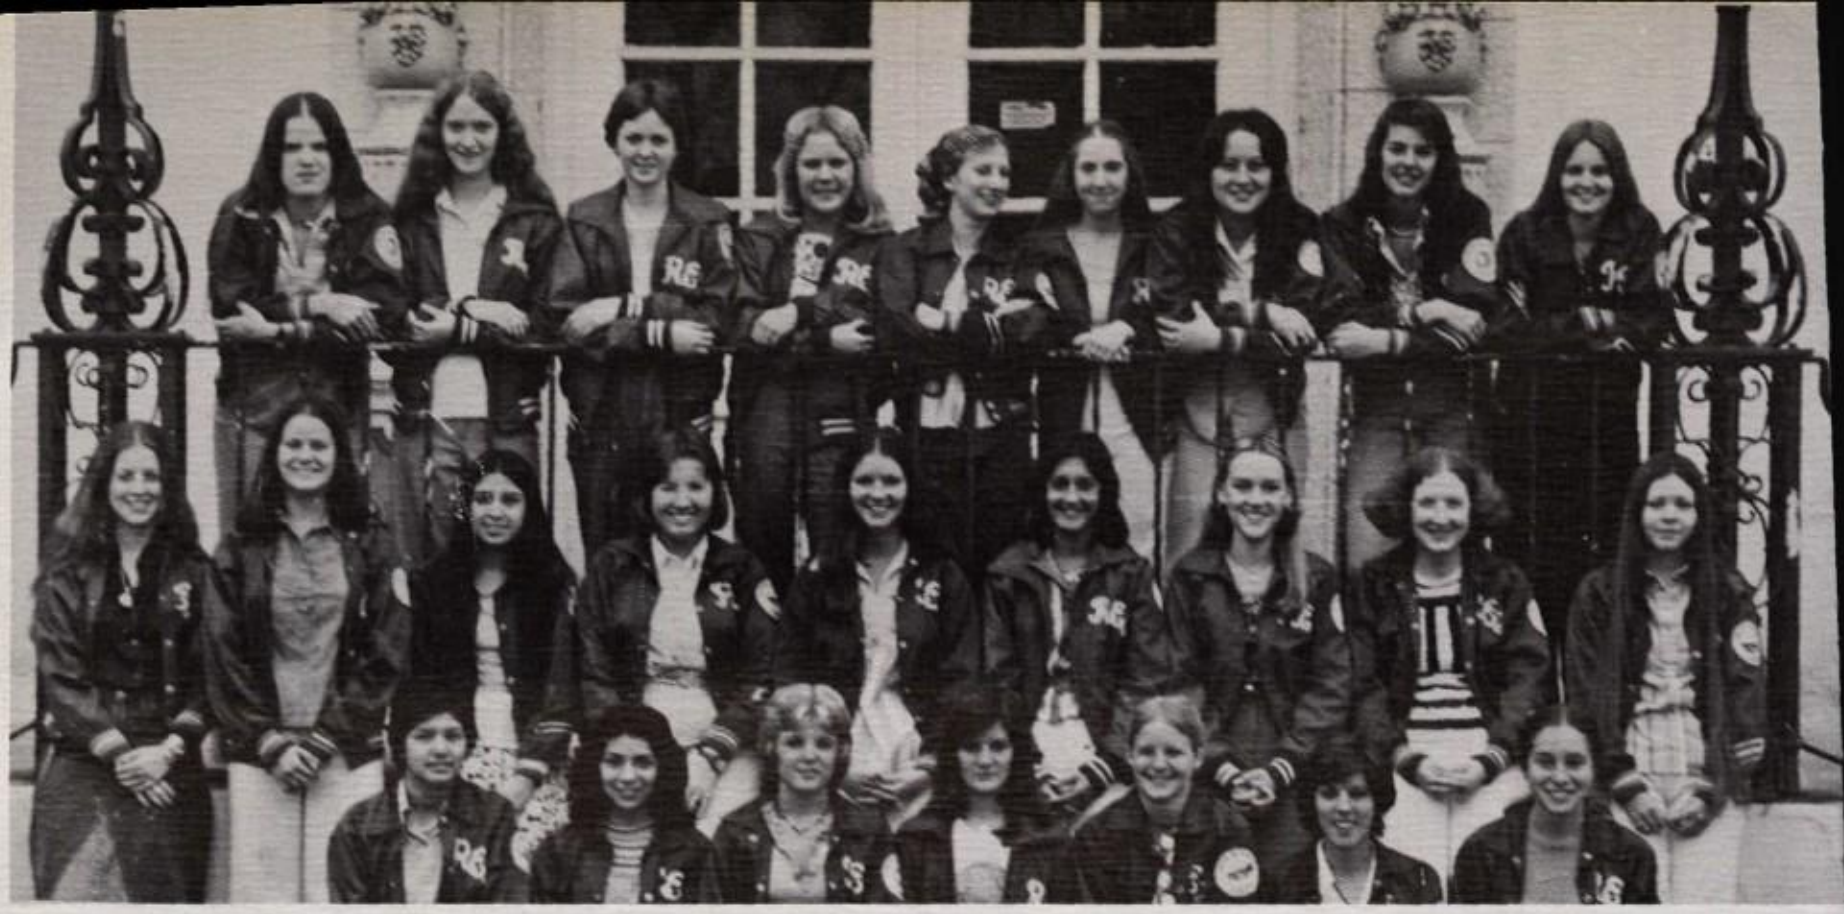
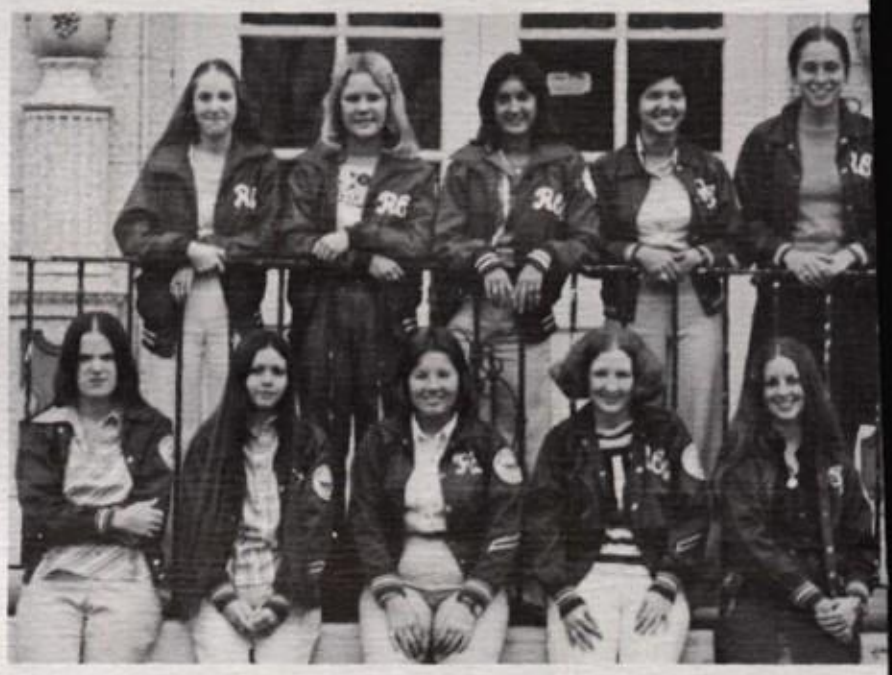
Among the changes in the Brigadiers this year were the new directors. It was not an easy job by far, but they did an excellent job. These two women have done much for the corps and deserve a round of applause and hearty thanks.



2nd LIEUTENANTS — *L. to R., Back Row:* Mary Jo Carlson, Susan Jordan, Meri Herriman, Janice Kristek, Sandra Boodell, Bren Reaves, Nancy Orsak, Jenifer Swalm, Cathy Watkins. *Middle Row:* Missy Causey, Georgianne Spiller, Cindy Flores, Carrie Owe Robin Perkins, Rhonda Tyroch, Connie Portis, Joy Wood, Sandy Rosenbaum. *Front Row:* Yolanda Yepez, Susie Roderiguez, K Lounsberry, Diane Kaminski, LuAnn White, Cindy Cox, Nancy Freer.

SERGEANTS: Georgianne Spiller, French horn; Robin Perkins, Cymbals; Jennifer Swalm, Tenor Drum; Cathy Watkins, Tenor Bugle; Cindy Flores, Baritone Bugle; Lillian Ehlig, soprano bugle.



QUARTERMASTERS: Brenda Reaves, Bugle music; Janice Kristek, Bugle; Rhonda Tyroch, Freshmen; Yolanda Yepez News; Nancy Freer, Magazine; Mary Jo Carlson, drum; Sandy Rosenbaum, drum music; Carrie Owens, uniforms; Joy Wood attendance; Missy Causey, travel dress.

75-76 COUNCIL MEMBERS: freshman — LouAnn Bletsch; sophomores — Stefani Hurst, Julie Hughes; juniors — Joan Saunders, Candy Nance; seniors — Kathy Watkins, Robin Perkins.

Upper Left: 1) Our Directors — Mrs. Thiele and Mrs. Kern. 2) Many hours of practice went into each drill that the Brigadiers performed. 3) and 4) a well earned rest. 5) and 6) after each break we went back to more practice, practice, practice. Many a groan and grumble went about each day that we stayed late, and complaints about the hot Texas sun abounded. But by Friday night we realized that all the practice was well worth the final result.

7) With smiles as well as suits that matched, Mrs. Kern and Mrs. Thiele were our most avid fans. 8) When we were on the field at last, we knew all the long hours had been necessary and were proud to call ourselves Brigadiers. 9) Anne and Renee send us off into the upper stands. Lucky them — they had front row seats. 10) The game wasn't all brig. While in the stands all showed our gander spirit — joining the band and cheerleaders in yells to drive the ganders to victory.

The 1976 Brigadier Bicentennial Court were from left to right: Lisa Crow, Freshman Duchess, and escort Ronnie Blystone; Cindy Bailey, Junior Duchess, and escort Mike Zeglin; Brigadier Duchess, Rhonda Tyroch, and escort Donnie Massengale; Queen, Renee Northrup, and escort Troy Bowman; Anne Rhodes, Princess, and escort Dennis Alexander; Kay Adcock, Senior Duchess, and escort Freddy Bradshaw; Senior Duchess, Jennifer Swalm, and escort Hank Williams; Sophomore Duchess, Jana Dippel, and escort Leonard Scoffield.

The bicentennial spirit abounds in red, white, and blue decorations for the ball.

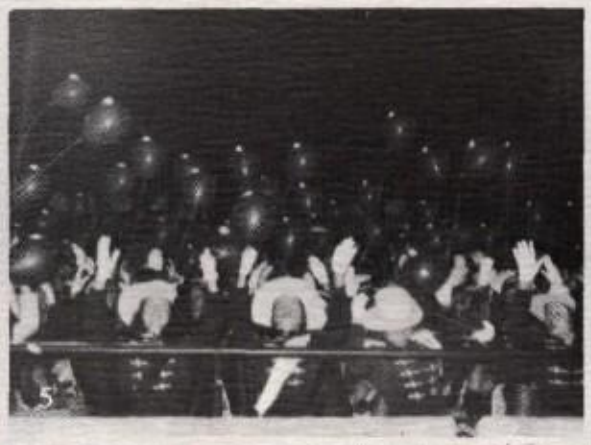
The 1975 Queen, Janet Adams, crowns the new queen, Renee Northrup.

This year's brigadier ball theme was the bicentennial. Kim Lounsberry was ball chairman. The Wynrock Band made the music and the brigadiers made the fun; a good time was had by all. Tuxedos, corsages, and the hustle made this bicentennial ball one to be remembered for a long time to come.

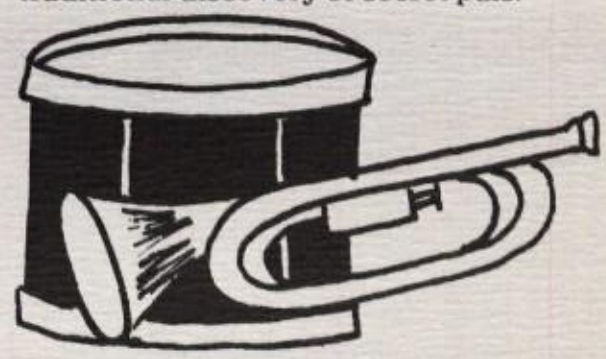
1) New additions to the Brigadiers this year were the Brig managers. They carried instruments, drinks, and were generally jack-of-all-trades. *L. to R.:* John Echols, Dwayne Carnes, Karl Opreyshek, Jeff Rielly, Bootie Gonzales, and Bryan Sandow. 2 and 3) Brigadiers spent most of their time marching, marching, and marching!

4, 5, 6, and 7) Homecoming is the biggest affair of the fall, and balloons and mums add to the festivities. Traditional are the Directors' mums and a mum for the president's mother.

Homecoming



8) Brigadiers gather around the tree for the traditional discovery of secret pals.



9 and 10) Spring tryouts ran the week of April 19 thru 23. Nervous tension built up through the week as everyone wondered which 62 rookies would become Brigadiers.

The American Field Service is an organization which helps bring foreign students from other countries, and send Lee students abroad. This club also helps to promote friendly ties between our country and others. Moneys raised by an annual bond sale — in which we collected over $700 in Lee itself this year. These funds will help send Nancy Braswell and Hank Williams overseas on the American Abroad program, and bring a foreign student to Lee next year.

This year's A.F.S. exchange student has been Elizabeth (Liz) Stodel from Johannesburg, South Africa. Liz has been an asset to Lee; and her cooperative, courteous, and friendly personality will be missed. The Jack Jackson family hosted Liz for the year; and her American brothers and sister — Scott, Greg, and Toni — were all students at Lee.

Liz has been a member of J.R.A.s, Brigadiers and Lee Band, and was a candidate for relay queen. She accepted for many speaking engagements; and because of this adopted Gander's year at Lee, we've broadened our friendship with the world.

Robert E. Lee has always had a fine group of athletes representing the Ganders. REL's athletic records can attest to that. The Class of '76 was no different, as two star-spangled athletic careers came to an end. These two persons were just a small part of a large contingent which carried the Lee banner in all athletic events, but they were the best, and they are the co-recipients of the annual Gander Gazette Athlete of the Year Award. In the past, only one award was given. However, since girls' athletics have come on the scene, two were awarded — one to Ann Girardeau and the other to Freddy Bradshaw. While the two finished at the top in their athletic endeavors, the pair was also outstanding in the classroom. Girardeau finished No. 2 in the Class of '76; Bradshaw No. 9. Girardeau's second-place finish in the Sr. class rankings may be her lowest finish in 1976, as she was nothing but No. 1 in the pool. Ann completed recently, the most brilliant career of any female athlete, any swimmer and maybe any athlete in REL history. A four-year letterwinner, Ann was the high scorer of the team all four years, racking up 1,495 points in four years. And Lee has not lost a dual or triangular swim meet since Girardeau has been at REL. Winner of the swim team's MVP award, the Armstrong-Rice Award, in 1974-75, Girardeau had her best year that season, making 504 points. But Ann's excellence was not limited to the team. For instance, there are 10 events in swim meets (not including diving). At the Lee pool, Ann either holds individually or is part of a relay which holds the pool record in seven of those events. Girardeau holds the District 20-AAAA records in four events — the 200 free, the 200 individual medley, the 100 free and the 100 back. Ann has qualified to go to the state swim meet all four years — the first Lee swimmer to perform this feat. Girardeau has swum in four events nine times in state competition. In those state performances, Ann has been all state three years, an honor only bestowed for the last three years.

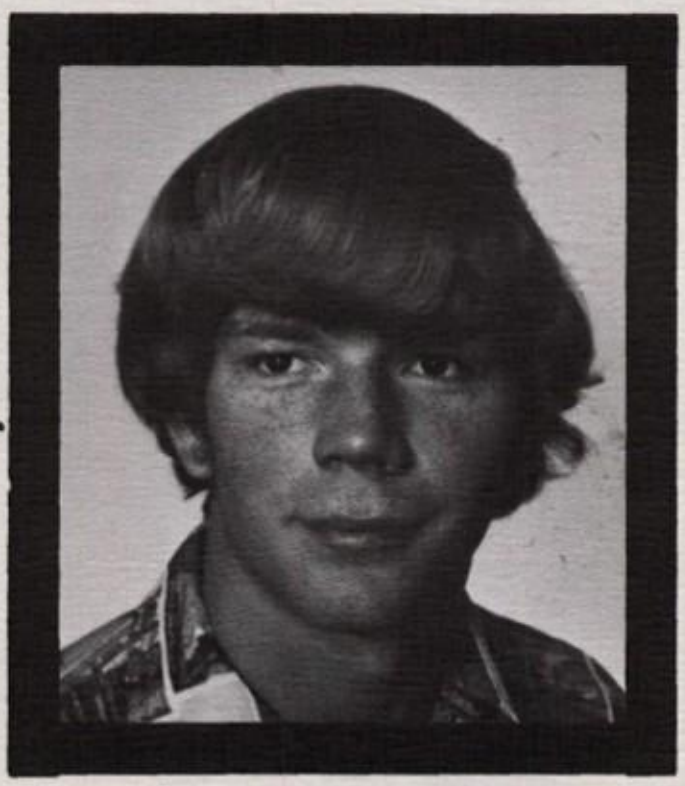
Though the National Honor Society, of which Freddy Bradshaw is the Robert E. Lee chapter president, is made up of those academically outstanding, Bradshaw would belong in any honor group for athletics as well. The three-year football letterman and four-year track letterwinner has had quite a career at Lee. Where Freddy was most prominent, though not always the most prolific, was in football, where he was a standout defensive back. Bradshaw lettered his sophomore year, seeing only limited action due to a broken arm. Freddy started at defensive back his junior year after an early-season broken ankle, and made the District 20-AAAA second all-district squad. The tri-captain received all-district honors for that season, as well as the James Gay award for best football player in academics and the Dan Stallworth award for the outstanding back. Unfortunately, head coach Ron Kramer and track mentor Gene Bosse must now find a replacement for Bradshaw. "Freddy was just a tremendous athlete for our program," Kramer said. "His play was always good, as was his leadership. He was very dependable to our program. He just didn't miss. He's just an outstanding athlete." "Bradshaw's biggest asset is that he is a great competitor," Bosse said. "He wants to win, and he works well to achieve that."

ANN GIRARDEAU

To qualify for all-state, one must be in the state's top five. And that's not all. For three years, there have been All-American honors handed out.

Annual Gander Gazette Award . . . Girardeau and Bradshaw Cop Athlete of the Year Awards

And, for three years, Girardeau has been under consideration for that honor. Ann was on the 400 free ralay team under consideration her sophomore and junior years, and has been under consideration for All-American honors in the 100 free for all three years. According to swim coach Kathryn Wright, Ann's lifetime best of 1:02.0 in the 100 back makes her a cinch for All-American honors this season. The All-American team will be announced this summer. What is more remarkable about Girardeau is that she swam what Coach Wright needed for the team, whether or not it was her best event. "At one time or another during her high school career, she swam in every event," Wright said. "She swam whatever I needed her to swim when I needed it for the team, even though many times, it wasn't what she wanted to swim."



FREDDY BRADSHAW

Freddy was no slouch in track, either. In his four-year career, Bradshaw's versatility showed. At one time or another, Bradshaw ran the mile relay, the 440-yard relay, the 880 relay, the sprint and distance medley relays, the open quarter and the 220. Bradshaw's specialty was the 440, where he had a best of 47.72 in the regional meet this year during which he placed fourth. Freddy won the loop crown in the event his junior and senior years. Freddy has timed faster in a relay, however. In the Ganders' record sprint medley relay at the Baytown Relays, Bradshaw turned a 47.3 lap as REL put together the nation's fifth fastest time in high school competition. Bradshaw was on the district champion mile relay his sophomore and junior seasons and part of the loop titlists in the sprint relay his sophomore and senior years. If Bradshaw continues at this pace, UT football coach Darrell Royal and track coach Cleburn Price will have something to talk about by 1979-80.

Lively group at 6 a.m. in the morning!

This year the Lioness Club kept themselves very active at such things as the Halloween carnival at the Civic Center with an apple bob; they took Christmas Stockings to the Cerebral Palsy Center, and had their own Christmas party at Anna Bravo's. In March they participated in the Muscular Dystrophy Drive; and for a money making project they sold cokes and desserts at the Lion's Club oyster fry. The club banquet was held at Newby's where Donna Flynn was selected "Girl of the Year."

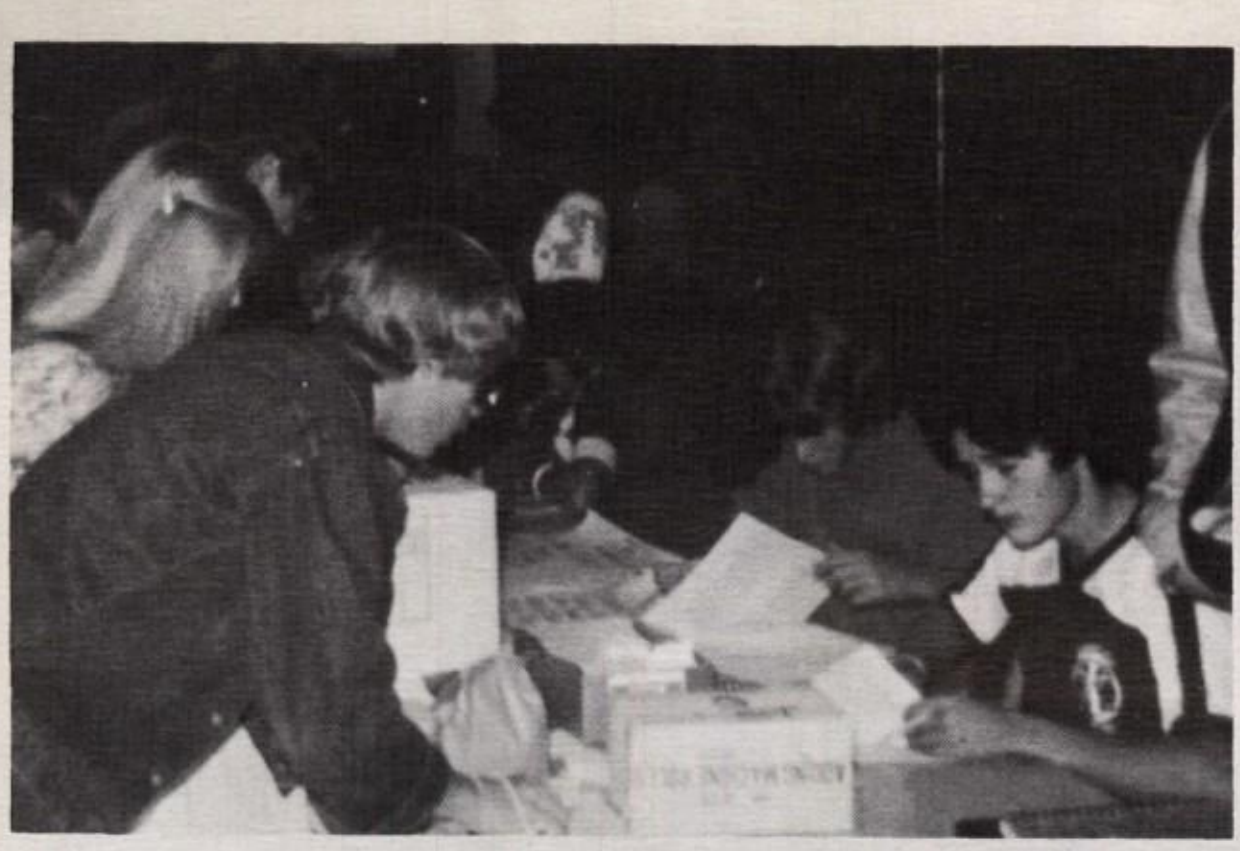
Election 76!



In the manner of days gone by Don Queen votes after registering with Joe Monaghan or Geoffrey Guill. At the beginning of the year this was how our elections were held.

Nancy Braswell uses her right to vote as a student at REL.

One of the major changes this year in the student senate was the switch from written ballot to the use of voting machines. Not only was this a more accurate way of voting, but it also encouraged more student participation in student elections. Here Diane Kaminski shows Aristedes Trifilio how to use the machine properly.

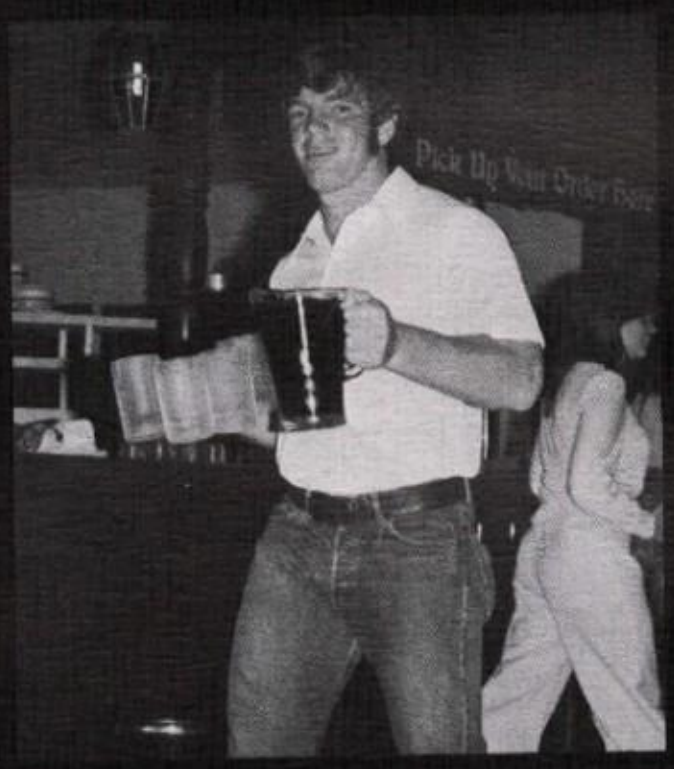
Twirp Week

Tension builds up until the school starts buzzing with gossip of who's taking out whom on which night. Finally the bell rings for the end of school Monday. Girls and boys alike rush home to get ready for the night's activities. Monday is set aside for the Pizza Parlor. Tuesday, the most exciting night of all is the necking movie shown at Memorial Stadium. Wednesday is left free and Thursday is filled with the excitement of getting the bonfire ready. For members of the Keywanettes and J.R.A. it is a late night with all the work of getting Mums and boutonnieres ready for homecoming. The excitement has been building until the pep rally. The Sophomores seemed to have more spirit, for they win the spirit stick. The deafening roar of people shouting fills the auditorium, all voices shouting in anticipation of the game.



FOOTBALL

Students wait anxiously for the banquet to begin.

This year's Football Banquet was held at the Civic Center in January with Glen Walker Serving as Emcee. Coach Bellard from A&M was the guest speaker. The meal was Bar-B-Que catered by Lenox. All of the coaches gave a short speech telling of the season's accomplishments. Awards were given to the outstanding athletes on the team. The Band and Brig officers and Cheerleaders also attended the Banquet.

Coach Thompson presents the Dan Stallworth award to James Roquemore.

Another recipient of the Dan Stallworth Award was James Bailey. This award is given every year to the outstanding senior linemen on the team. The Pi-Yi Kern Award was presented to Rene Contreas.

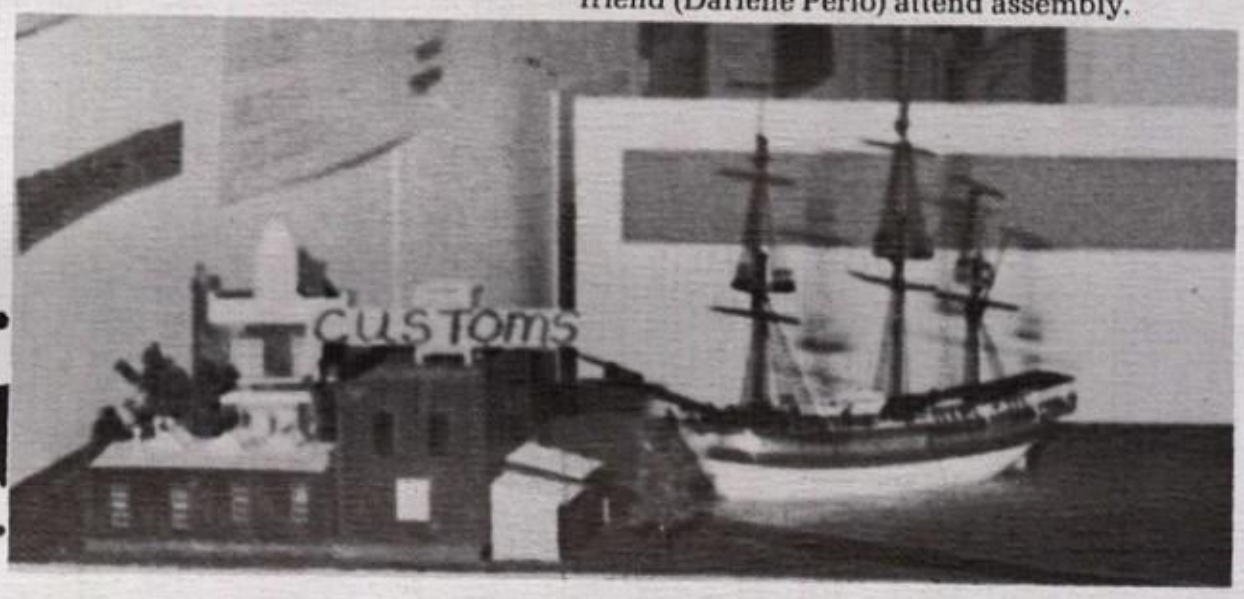
America...

Every year there is a parents' night at Robert E. Lee. This year there was a change. Instead of the usual maroon and white, red, white and blue decorated the halls and stage. Teachers and students alike were encouraged to dress patriotically and all of the exhibits had historical themes. Why? The Bicentennial, of course.

Dr. Horatio (Melanie Moskowitz) and lady friend (Darlene Perio) attend assembly.



Besides the assembly there were many exhibits — such as this one of Boston Harbor.

Awards were presented to Micky Thompson, Mike Eskew, and David Clark.

A Bicentennial tea was prepared and served by the Homemaking department.

The Liberty Bell cracks again in this lifesize model made by "Sine-Waves."

Flags made into rugs by crafts classes, totem poles, a model of Boston Harbor, papers on "What America Means to Me," a talking Thomas Jefferson, and a medicine man show all added up to a big night and lots of headaches for teachers and students. Was it all worth it?

To increase attendance, students were awarded an extra exemption day if they had their parents come to the exhibits and assembly.

...We Salute You!

Among the presentations was this flag presented to Mrs. York for the History and Gov't departments.

Decorations for the tables in the commons and on the stage were made by the Brig.

A close look by Mr. Lind reveals true artistry in the arts and crafts exhibits.

As her ladyship looked on, Mr. Dickson led off the program with songs from American folklore.

When finally the big night came . . . all were at the breaking point. Would everything go as planned? When people began coming, exhibits, students, and teachers were ready. As everyone settled into their seats in the auditorium, many feelings went through the crowd. Teachers and students — tired but proud. Administrators — relieved that all had gone well so far. And as the sounds of the choir and American folk music filled the air, unity filled the room.

The main parts were "Curly" played by Roger Theile, "Laurie" by Anne Rhodes, "Aunt Eller" by Lynn Sutphin, and "Ado Annie" by Sylvia Wilson; Mickey Thompson played "Will." Finally with the help of many students and teachers, the play was presented to the public on May 13, 14, 15. The play was enjoyed by audience and players alike.

Best Prom Ever . . .

This year's Senior Prom was held Friday, May 21, at Sylvan Beach Pavillion in LaPorte. Caterers provided punch, sandwiches, chips, nuts, and cake. Daisies, ivy, ribbons, colored balls, and a mural decorated the pavillion. Senior Homeroom teachers, the principals, and counselors served as chaperones. Ten Junior boys parked cars for everyone — for a tip of course. "Cameleon" entertained and Micky Thompson was selected Emcee. At eleven o'clock the Grand March through the ring began; Freddy Bradshaw, president of the senior class, was first, followed by the Senior Planning Committee. The senior class bought a new ring this year with money from the successful fish fry.

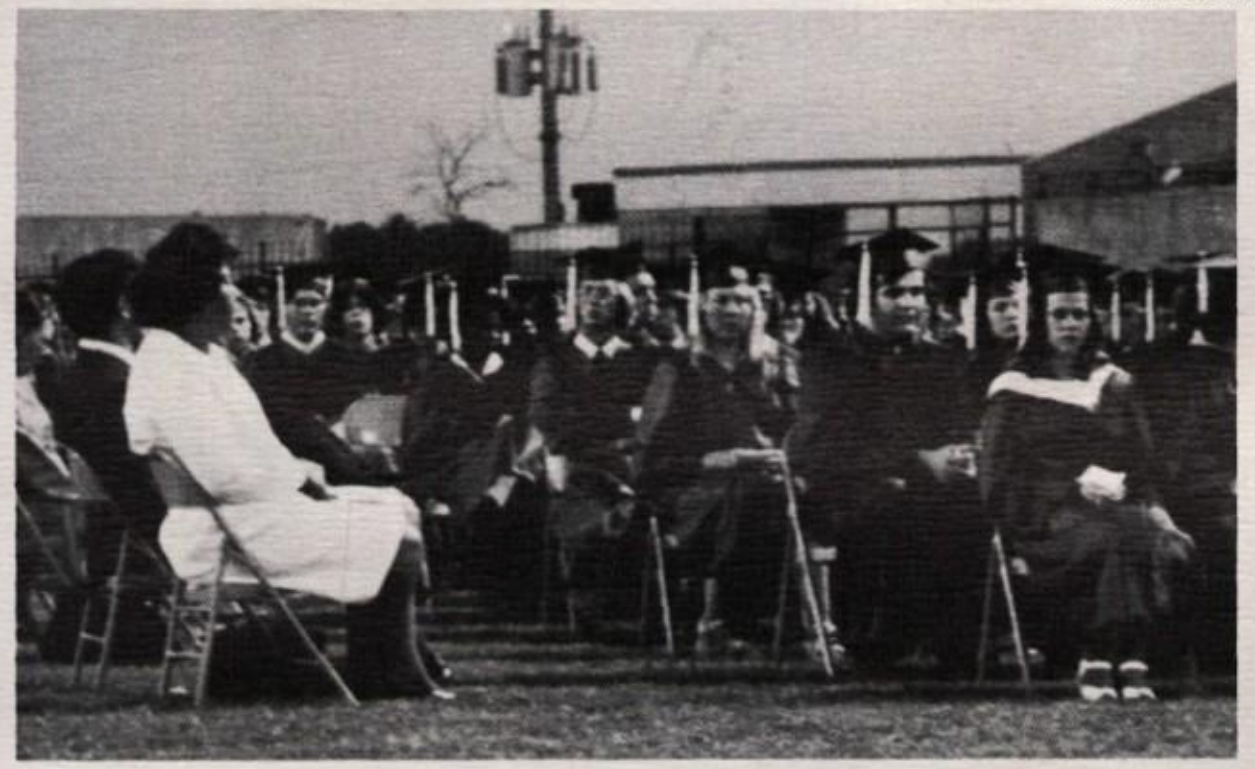
Graduation 1976: A new breed faces the future . . .

It was a beautiful clear night as 386 students participated in graduation exercises. It was something that everyone had been looking forward to and that day finally arrived. Sophomores and Juniors served as posts with the band and choir entertaining. School Board Pres. Willie Moreno awarded diplomas.

Students wait patiently to receive diplomas.

Senior homeroom teachers bid last farewells to students and lead the students on the field.



The graduates look somber as they listen to Johnny Clark.

Last, but not least, Joy Young graduates at the end.

Principal Henry Armstrong announces scholarships and honor students of R.E.L.

The Pride and Dignity of a Winner

There are times when we have pride in a job well-done but suffer the frustration of having that accomplishment go almost unnoticed. Yet, one realizes that the most heroic and self-sacrificing acts are often done without attention or applause. The 1975 football season was such an experience in our lives.

Many of the individual efforts were outstanding:

Charles Haggerty was the team's leading rusher with 819 yards in 176 carries for an average of 4.7 yards per carry; his record placed him second in the district.
Mark Hatcher averaged 4.5 yards every time he toted the ball.
Shane Boeker completed 49% of his passes for an average gain of 17.6 yards per catch; his tosses included 5 TD's.
James Bailey tallied 518 yards on 27 catches for a 19.2 yard per catch average.
Micky Thompson kicked 23 consecutive extra points and booted a 38 yard field goal, the longest in the district.
J. P. Flynt rushed for a 4.9 yard average during his senior season.
Joshua Simmons gained 120 yards with his 8 receptions.
R. E. Lee placed 8 on the *Sun's* All District team: Paul Morgan, guard; James Bailey, receiver; Shane Boeker, quarterback; Alvin Ruben, defensive lineman; Charles Haggerty, back; James Roquemore, linebacker; Freddie Bradshaw, defensive back; and Micky Thompson, kicker.

Accomplishments of the offensive and defensive units were impressive and compared favorably with the best in the state:

OFFENSIVELY: The maroons executed 188 first downs. Offensive yardage for the year totaled 2897, an average of 290 yards per game. R. E. Lee completed 48 of 108 attempted passes and had only 6 interceptions. The Ganders scored 195 points, with the highest scoring quarter being the "fourth" — during which 55 points were added to the board. Lee's best rushing effort was against MacArthur for 299.5 yards; the highest passing game was against Aldine when Lee quarterbacks threw for 147 yards.
DEFENSIVELY: The Ganders allowed only 84 first downs. Opponents were held to a total yardage of 1547, an average of 155 yards per game. The maroons allowed an average of only 58 yards per game in the air and picked off 16 passes. In an outstanding defensive game, the Gander defenders held Port Arthur to 17 yards rushing; against Aldine, the opponents were allowed 00 yards in the air. The Gander defensive unit held their opponents to a 5.7 per game point average, and they were never scored against in the first quarter.

The season record of 9 wins and 1 loss is one of which we can all be proud. The record has been no easy accomplishment; it has been attained through the hard work and devotion of our team members who have done their best, both collectively and individually. In this Bicentennial year perhaps it is well to remember that our forefathers have established the American tradition of hard work and devotion to duty, not for their own glory but for the glory and future of America. Our solace then, by their example, is found in the knowledge that we have put forth our best effort, that we have been devoted to Lee's traditions, that we have enhanced Lee's image, and have set standards for those who follow.

42,000 FEET OUT OF THE INNER CITY

You simply can't measure Air Force people by ordinary standards. With your high school diploma, and free specialized training at full pay, you could be responsible for tuning a multi-million dollar jet to keep it supersonic. Or be a data processing technician who tells it where to go, or a trained photographer who takes its picture. Or be in one of over 400 technical and specialist areas in electronics, avionics, accounting, or administration. These skills have given many Air Force people careers in civilian life. And the benefits are great—free room, board, and clothing; free medical and dental care; 30-day paid vacations, and much more.

Look up. Be looked up to. Air Force

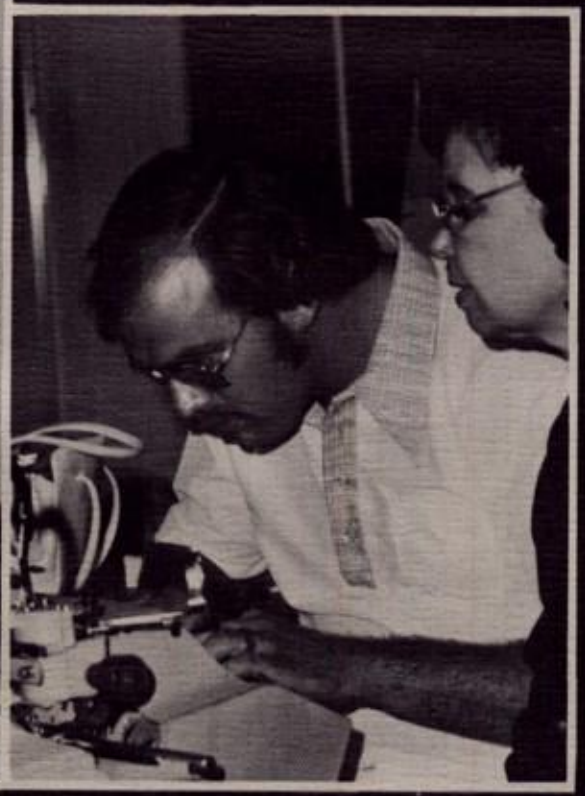
It Cost Less To Go First Class

At Lee College, you can get tomorrow's education at yesterday's cost.



Lee College is a dynamic community college that prepares students to be responsible and contributing citizens in an ever changing society.

Recognizing that students have different goals and life styles, We at Lee College believe that the person educated according to his individual capabilities and interests is best prepared to meet the challenges of the future.

Lee College is large enough to have the latest, most modern techniques and equipment with a wide variety of academic and technical—vocational programs, but small enough for individual attention from qualified counselors and instructors who know your name.

We want to brighten your future!

Lee College P. O. Box 818 Baytown, Texas

Another year, another grade —
What does it mean? Are we older . . . different . .
Better . . . Worse . . . Or do we remain
unchanged . . .?

What is passed?

What is still to come?

Everything — Anything?

As I look back on the past four years I have spent at Lee, I cannot help but have a great feeling inside . . . I have met so many great friends and teachers; and although it has been work, it has also been a lot of fun. I have learned and experienced; I have enjoyed; I have had good times and bad times, but mostly I have matured. These years have been the greatest four years of my life, and I will always treasure them as long as I live. For all of the underclassmen: I hope you will enjoy and get as much out of High School as I did. Just do not rush things, take your time and enjoy them while they are there. And for all of the Seniors: I just say that there is a bright new future waiting for us but *we* have to make the best out of it. A new day is dawning; we must open our eyes to the world around us. The easy part is over, it is now up to us to mature and make our own decisions.

Good Luck to everyone and I hope you will enjoy this edition of the *LEE TRAVELER*.

Editor,
Jennifer Swalm

In Memory

Elaine White
dedicated her life

. . . That men may know wisdom and
instruction,
understand words of insight,
receive instruction in wise dealing,
righteousness, justice, and equity;
that prudence may be given to the
simple,
knowledge and discretion to the
youth — . . .

Proverbs 1:2-4.
